Paying Child Support

Aiy'-ye-kwee'

Yurok Child Support Services (YCSS) would like to take this opportunity to update you on the different ways you can make your child support payments.

While most court-ordered child support payments are made through employer income withholding (when an employer deducts court-ordered child support payments from an employee's paycheck); YCSS encourages parents obligated to pay child support to take the initiative and make their child support payments directly to us. It is your responsibility to make sure your court-ordered child support is paid on time and in full. The following is how you go about making your child support payments.

What are your payment options?

For any method of payment be sure to include the following information so your payment can be credited to your account(s):

- ❖ **Your Full Name**
- ❖ **Your YCSS Case Number**

YCSS accepts the following payment options:

- **Pay by Mail:** You can mail a check or money order made payable to "Yurok Child Support Services" to the following address:

**Yurok Child Support Services
PO BOX 45
Eureka, CA 95502.**

- **Pay in Person:** YCSS accepts cash (exact change only), check or money order over the counter at the following two locations:
