Pursuant to the Yurok Tribe Family Code Section 5.4, adopted July 8, 2012, the Yurok Tribal Court may make temporary orders concerning the custody of Yurok children. The Court pursuant to that authority may grant temporary guardianships. Temporary guardianships shall be calendared with the understanding that the Yurok Social Services Department will conduct an evaluation of the proposed guardianship. Yurok Social Services will provide a summary of this evaluation and make a recommendation regarding the granting of a permanent guardianship to the Yurok Tribal Court at the first scheduled regular hearing for each case. Temporary guardianship maybe continued pending receipt of said Yurok Social Services recommendation. All permanent guardianships will be reviewed at six (6) month intervals. Yurok Social Services will provide a report and recommendation for each review hearing.
